About Dr. Isaacson

Dr. Richard Isaacson, M.D., serves as Director of the Alzheimer's Prevention Clinic, Weill Cornell Memory Disorders Program, and Director of the Neurology Residency Training Program at Weill Cornell Medicine/NewYork-Presbyterian Hospital. He specializes in Alzheimer's disease (AD) risk reduction and treatment, mild cognitive impairment due to AD and pre-clinical AD. He is also the author of two best-selling books, *The Alzheimer's Prevention & Treatment Diet* and *Alzheimer's Treatment: Alzheimer's Prevention: A Patient & Family Guide*.

Evoke News.

eVox Recognized as Breakthrough Technology

Evoke is thrilled to announce the award of a group purchasing agreement as a breakthrough technology with Premier. The agreement allows Premier members to take advantage of special pricing and terms pre-negotiated by Premier for the eVox System. This contract recognizes the innovative way that eVox aids primary and specialty care physicians in their diagnosis of patients with memory loss and other cognitive disorders.

Upcoming Events.

Evoked is proud to sponsor A4M

The banner features the A4M logo (a blue square with 'A4M' in white) and the MMI logo (the letters 'MMI' in a blue oval) on the left. To their right, the text 'SPRING CONGRESS 2018' is displayed in blue. The central image is a stylized human brain composed of colorful, glowing neural connections. To the right of the brain, a quote reads: "Learning never exhausts the mind." - Leonardo da Vinci. Below the brain, the text 'April 13-14, 2018' is shown in blue, followed by 'April 12 | Pre-Conference' in a smaller font. At the bottom left of the banner, it says 'Hollywood FL' and 'BRAIN AWAKENING' in large, bold, blue letters.

Don't miss A4M in Hollywood, FL April 13-14. Visit us at booth #912!
