The Summary Report Is Getting An Upgrade

Evoke has upgraded the Summary Report with a new and improved layout. In this new version you'll see eyes open EEG Head Maps located front and center. This will help you get an overview of your patient's brain health status in a single glance.

To go along with this updated report, we have a [new Patient Report Guide trifold](#). This guide helps your patients better understand their report results and now includes details on how to read Head Maps! To get the latest Patient Report Guide trifold in your practice, email support@evokeneuroscience.com.
