

Season's Greetings!

Season's greetings to you and yours!

Wishing you a happy, healthy, and joy-filled season with family and friends. We are thankful for the opportunity to help you provide the best care for your patients. The work you do makes a difference, and we are grateful for your continued trust in us.

Don't miss the Holiday eVox Report Credit Sale

Buy 10 eVox Report Credits, get 2 FREE!

- Free credits will be applied to your account on 12/25.

This holiday, give a little love to your eVox System

Your eVox System works hard for you throughout the year.

Show it a little love by following these best practices:

- Leave your system connected and online after an assessment is complete until you get a data upload complete notice
- Restart the eVox computer once a week

- Charge the eVox amplifier overnight

evoke

NEUROSCIENCE

The eVox® System is a medical device used to assess brain health and aid in the diagnosis of memory loss and other cognitive disorders.
